Auditor's Report

Board Members' Report

114. [Billy Townsend, District 1](#)

Minutes:

Mr. Townsend felt the Master Board training earlier today was very positive and he voiced appreciation to Mrs. Fields for being the driving force behind the opportunity.

He commented that he and several board members were subject to a nuisance public records inquiry regarding their text messages. He anticipated this may be coming and had invested in a program that organizes texts and suggested the board or district invest in the same type program....it cost approximately \$40.

He was pleased to see the charter transportation for the ESE schools has been extended for one year; he would like to see it extended further - two years or whatever it takes to get them self-sufficient.

Mr. Townsend announced that the district will be embarking on a new district study

addressing special needs students as well as struggling students.

115. [Lori Cunningham, District 2](#)

Minutes:

Mrs. Cunningham attended the All County Theatre Festival. She encouraged everyone to purchase a License for Learning tag which supports scholarships. With each sale, \$20 goes to Polk Education Foundation's scholarship fund. Last year, the tag sales brought in approximately \$11,000.

116. [Sarah Fortney, District 3](#)

Minutes:

Ms. Fortney congratulated the Mulberry High School Girls' Basketball team on their recent game. She attended numerous events this month: Black History festivities, Fine Arts programs, the History Fair, the LGBT2 conference.

Ms. Fortney encouraged everyone to contact our legislative representatives and let them know we need their help - not starvation.

117. [Sara Beth Reynolds, District 4](#)

Minutes:

Ms. Reynolds voiced appreciation of the Winter Haven Rotary Club for their recent Basket of Books event. Children aged 3-5, received a basket filled with books.

She also voiced appreciation of the Winter Haven principals for attending the Education Breakfast and voicing their appreciation of their engagement within our schools.

118. [Kay Fields, District 5](#)

Minutes:

Mrs. Fields visited McLaughlin Middle School to see their Fine Arts programs. They are doing a fantastic job.

She congratulated Mrs. Byrd for receiving the L.B. Brown Leadership Award.

She, too, has been attending many Black History events across the district as well as

the Polk Museum Advcocay event, the Head Start Policy meeting.

Mrs. Fields hosted her 2nd town hall meeting, an Evening of Listening, at Sleepy Hill Middle School. This allows parents and staff an opportunity to voice their concerns and learn more of what is happening around the district.

119. [Lynn Wilson, District 6](#)

Minutes:

Mr. Wilson reported that Senator Traviss Hudson, St Johns County, is purposing legislation that will allow students to substitute college ready courses with career ready certificates. When they graduate from high school they would have certificates that would prepare them for the work place.

120. [Lisa Miller, District 7](#)

Minutes:

Mrs. Miller is looking forward to a work session discussion behavior supports offered in our schools. She is excited we are contracting with an outside company to review our practices in special needs and general education.

She was the guest speaker at Lake Gibson's Pre School, toured the District Office buildings here-it is extensive.

She met with Representative Tomkow and will be meeting with others before the end of session.

Public Comments Addressing Items Not on Agenda

121. [SPEAKERS](#)

Minutes:

Abigail Scott, Tenoroc High School, reports that the school is run like a business rather than an education institution. She believes the students' freedom of speech is being violated.

Denise Williams, parent, spoke on the need to improve ESE transportation safety guidelines to prevent future deaths.

Micki Polly, teacher at McLaughlin, spoke in support of the 6-12 McLaughlin Middle option which would be a benefit to the students and community.

Kevin Kaden spoke of the sacrifices made by those in the services and the values our flag stands for.

Marianne Capozziello, President of Polk Education Association, spoke on the drastic cuts to public education budgets; more and more funds are being directed to private and charter schools.

Keith Ward spoke in support of freedom of speech, civil liberties, and expression.

Bishop Mincey prays daily for the Superintendent, Board, and our students

Adjournment
