Public Hearing

Superintendent's Report

73. [Superintendent's Report](#)

Minutes:

The Superintendent spoke on the complexities and details of SB 6 before the Governor. She encouraged everyone to exercise their rights to contact him. It is hopeful that he will veto the bill and invite all affected parties to be part of the discussion on a revised version.

This is the time and season for a variety of end-of-the-year activities and students need to be reminded to make good choices to help prevent incidents that might have tragic results. Dr. McKinzie encouraged parents to be mindful of the choices their children make, regardless of their ages. Encourage them to think before they act and make good decisions that will have positive results.

Our next work session will be held 12:30 PM Tuesday, April 27, 2010, in the Superintendent's Conference Room followed by the School Board Meeting at 5:00 PM in the auditorium located at 1915 S. Floral Avenue, Bartow.
