Public Comments Addressing Items Not on Agenda

55. [SPEAKERS](#)

Minutes:

Marianne Capozziello, President of Polk Education Association, reported that PEA has been told they are not allowed on school campuses during lunch to meet and provide pizzas for teachers, paraprofessionals and secretaries.

Dr. McKinzie stated there is rationale for the actions of the District that she will be happy to share with the Board. PEA has been allowed on campuses before or after school but not during contract hours. Staff tries to be consistent on who is allowed to come on campus to speak with staff; there are other outside groups that would love to be allowed the same access. There are other issues involved other than pizza as implied by Ms. Capozziello.

Abdu Taguri recognized Cristie DeVane for her dedication and hard work in providing technology for the schools and her work with the Video Awards banquet. Mr. Taguri informed the Board that David Yates personally paid for all expenses related to the state-wide judging of the video projects.

#### Adjournment

Meeting adjourned at 6:00 PM. Minutes were approved and attested this 12th day of May, 2009.
