Public Comments Addressing Items Not on Agenda

57. [Speakers](#)

Minutes:

Mattie Streeter - requested that Edith Henderson remain as Principal of Jewett School of the Arts.

Brown Addison - believes the process used in site analysis is flawed because the principal has no way to respond to the accusers. There should be more black principals and assistant principals.

Bishop Willie Mincey - believes color needs to be more evident at Jewett School of the Arts. If Mrs. Henderson is not allowed to stay, another black should be selected from the pool to replace her.

John Woodsen - spoke in support of Edith Henderson.

Perry Burnham - Spoke in support of diversity at the school. Suggested that all teachers be released from the school and the new principal can select a totally new staff.

Gerald Black - resigned from Jewett School of the Arts because of Edith Henderson. She is very manipulative and treated him like garbage.

Mrs. Fields commented she has worked with Mrs. Henderson and knows her personally. She trusts Dr. McKinzie, as the superintendent of the school system, to do the right thing.

Mike Seney - has three students at the school. Would like to see the site analysis process continue to get the best qualified for the school.

Chairman O'Reilly reminded the public that the School Board sets policy and approves the budget. It is the responsibility of the Superintendent to assign staff.

Adjournment

Meeting adjourned at 2:28 PM. Minutes were approved and attested this 26h day of May, 2009.

Frank J. O'Reilly, Chairman

Gail F. McKinzie, Ph. D., Superintendent
